

Technical drawing of a rectangular layout, likely a floor plan or a diagram for a specific application. The drawing shows a large rectangle divided into several smaller rectangular cells. The cells are numbered 1, 2, 3, and 4, indicating different sections or components. The dimensions are given in millimeters (mm) and are as follows:

- Overall width: 24 mm
- Overall height: 45 mm
- Cell 1 (top left): 24 mm wide, 25 mm high.
- Cell 2 (top middle): 22 mm wide, 25 mm high.
- Cell 3 (top right): 24 mm wide, 25 mm high.
- Cell 4 (bottom left): 24 mm wide, 25 mm high.
- Cell 2 (bottom middle): 22 mm wide, 25 mm high.
- Cell 3 (bottom right): 24 mm wide, 25 mm high.

The drawing includes dimension lines and arrows indicating the measurements. The cells are arranged in a grid-like pattern, with some cells being larger than others. The numbers 1, 2, 3, and 4 are placed within the cells to identify them.
