# MODULE A: LADIES COMMERCIAL SALON STYLE

**Mannequin:** Anna and two Anna Wefts

## TIME

3 hours 15 mins

## DESCRIPTION

The Competitor should create a commercial salon haircut with colour. Haircut and colour must reflect a commercial hair design, worn by the everyday female. It is forbidden to create avant-garde and use radical shades. Also looking like OMC is forbidden. Competitor will get the theme for test B before this test starts.

## HAIRCUT

- The hair must be cut.
- All hairdressing cutting tools are allowed.
- The haircut must follow a client wish = inspiration wishes (pick up main points).

## COLOUR

- All of the hair must be coloured.
- The colour should reflect a commercial design.
- There is one colour that the competitors must use on mannequin and/or on the wefts: The colour code will be released on C2 just before the start of Test A. The competitors must use pure colour, not mix it to with any other colours. The Placement for the colour is free. Pre colouring with bleaching is option. There will be minimum measure what competitor must use with this colour (it show in grams). This will be client inspiration wishes.
- All colouring techniques and colours from sponsor are allowed.

## HAIRPIECES

- Competitors will be given 2 Anna wefts.
- Wefts must be coloured in test A.
- Competitors cannot cut any hair from the weft.
- Weft will be used in test B only.
- The wefts can be cut into segments and they will need to sew/glue together during the test A or B.
- The colouring product must be completely rinsed from the hairpieces during the test A.
- The hairpieces can be dried during test A and/or B.
- The wefts must not be pinned on to the Anna Mannequin at any time. Competitors must use the bald head provided.

## FINISHED STYLE

- The Competitors must blow-dry the hair.
- All tools are allowed.
- All styling products are allowed what are supplied from sponsor
- The finished look should not have hairpins, bobby pins, beak clips, pins, rubber bands or any kind of ornamentation.
- This is Competitors own choice to finish the hair.
- Hair cannot cover eyes – it is salon style.

## MODULE B: LADIES THEMED CATWALK DESIGN

**Mannequin:** Anna and two Anna Wefts from module A

### TIME

**1hr 15mins**

### DESCRIPTION

The Competitor must use the mannequin from the test A and transform the created design into themed catwalk look, with the addition of hairpieces and supplied ornaments.

The finished look should be suitable for catwalk models and correspond to the theme/inspiration for the module. The look must not reflect style of OMC.

### THEME

Competitor must design hairdo what is suitable for theme/inspiration pictures, specific dress and ornament. Competitors will be supplied with the themed ornamentation and this must be used. There will be a picture for how ornament should be wear in finished result. Theme/inspiration, dress and ornaments for test B will be released just before test A start.

### FINISHED STYLE

- Competitors start the competition with the finished look from test A unchanged.
- No colouring in this test.
- No cutting of the mannequin hair and wefts in this test.
- The wefts can be cut into segments and they will need to sew/glue together during the period provided for the module A or B.
- The wefts must not be pinned with T-pins on to the Anna Mannequin at any time. Competitors must use the bald head provided.
- All tools are allowed.
- All styling products are allowed what are supplied from sponsor.
- Finished look should reflect fashion catwalk look and this is based on client inspiration wishes.

## MODULE C: MEN'S PERM AND BEARD WITH THREE WISHES

**Mannequin:** Giovanni with full beard

### TIME

Three hours

### DESCRIPTION

The finished result should be a commercial design that reflects the design brief of the client.

The finished look must be combined: permanent waving, haircut, beard design and a blow-dry. This module must respect industry standards.

### 3 WISHES

The wishes will be decided by the Skill Competition Manager. Three wishes will be released just before module C starts with the pictures. Competitors are required to reproduce the photograph (very similar to the photo).

Client wishes will consist of:

- Perm – replicated as close as possible
- Haircut – replicated as close as possible
- Beard Design – replicated as close as possible

### PERM

- Must respect client wishes.
- Conventional perm rods to be used and must have a perm band (rubber).
- Rubber marks in the root and ends will be checked by an objective jury before blow-dry.

### HAIRCUT

- Must respect client wishes.
- All cutting tools are allowed, except clippers.
