Introduction

Hairdressing Test Project includes seven modules.

All modules represent occupational standards from the hairdressing industry.

Every module includes inspirational pictures wich are called "client wishes" and they are made by an Independent Test Project Designer. These pictures are made only for the WorldSkills Competition, and no one has seen them before.

Inspirational pictures:

- Are taken from only one direction, and this should replicate. Other directions providing Competitors with the opportunity to create their own variations of what is not shown in the picture.
- Test A, B, C, D, E, G: inspirational pictures are made with Raphael Perrier's mannequins. Test A, B and C are made in the correct order.

- Test F inspirational picture is made with a live model.

These symbols will explain client wishes in inspirational pictures:
